

PRODUCT INFORMATION SHEET

Name ORBIS 150

Type pendent lamp

ID PC1289

Description

The Orbis collection is based on a universal shape rendered in handblown smoke glass that has been abruptly severed across the top to accommodate an elegant multiangular metal fixture. Rich in ambience yet enticingly minimalist, these new atmospheric lights embody a sense of technicism. A diffusor conceals an LED panel within the fixture and softens the light as it radiates outwards from its source, while the multiangle serves to house a special BROKIS connector engineered for easy installation and arrangement of grand lighting compositions. Additional variability is provided by a choice of subtle grey or brown smoke glass, with the metal fixture finished in a black powder coating that underscores the gloss of the transparent glass. These refined components come together to create an unmistakable interior charm well suited to large restaurant and hotel spaces as well as intimate private interiors.

Technical description

Glass Colour

smoke grey - transparent glass	A	CGC516
smoke brown - transparent glass	A	CGC538

Glass surface

glossy surface	A	CGSU66
----------------	---	--------

Body finish

metal - black matte powder coating	A	CCS846
------------------------------------	---	--------

Canopy finish

metal - black matte powder coating	A	CCSC619
------------------------------------	---	---------

Connection method

BROKIS connector	A	CCM1019
------------------	---	---------

Cable colour

textile cable - black	A	CECL519
-----------------------	---	---------

LED Source

24V, LED, 2.3W, 2700K, 365lm, RA90+, DIM	A	LEDS2866
--	---	----------

Dimmable version

non-dimmable version	A	CEDV1457
DALI version	A	CEDV1458
CASAMBI CBU-PWM4 - SURCHARGE	A	CEDV2854
