

PRODUCT INFORMATION SHEET

Name DOUBLE LONG PENDENT

Type pendent lamp

ID PC1295

Description Double, a new collection of pendent lights, is based on a shape consisting of two elements made from two different materials – glass and lightweight aluminium. These elements depend on one another to generate a unique and consonant form. The glass globe terminating in a metal ring provides a suggestive effect, with the handle on top alluding to the idea of transporting the light. In the pendent variant, which is available in three different shapes, the upper metal section with wire rope seeks equilibrium in the scattered light and shadows as they pass through the lower metal ring and globe, the latter crafted from multiple layers of molten glass that are carefully scrutinized by the master glassmaker prior to blowing. The luminance of the LED light source is softened by an opal diffuser. By virtue of its scope, the Double collection is ideal for private interiors and works very well in large compositions and colour combinations.

Technical description

Glass Colour

transparent glass	A	CGC23
smoke grey - transparent glass	A	CGC516
smoke brown - transparent glass	A	CGC538
opaline - transparent glass	A	CGC38
triplex opal	A	CGC39

Glass surface

glossy surface	A	CGSU66
----------------	---	--------

Body finish

metal - black matte powder coating with structure	A	CCS2673
---------------------------------------------------	---	---------

Canopy finish

metal - black matte powder coating with structure	A	CCSC2674
---------------------------------------------------	---	----------

Cable colour

textile cable - black	A	CECL519
-----------------------	---	---------

LED Source

24V, LED, 9W, 2700K, 1064lm, RA90+, DIM	A	LEDS2869
-----------------------------------------	---	----------

Dimmable version

non-dimmable version	A	CEDV1457
DALI version	A	CEDV1458
CASAMBI CBU-PWM4 - SURCHARGE	A	CEDV2854
