SACKit[®]

Welcome to the SACKit universe, where Danish design and craftsmanship takes center stage, blending functionality and style in perfect harmony.

At SACKit, we understand the importance of creating beautiful spaces that make you feel at ease, without compromising on quality. With meticulous attention to detail and a passion for craftsmanship, we design and create furniture that elevates your everyday living experience. Our creations have all been designed to fit effortlessly in any home, contemporary or traditional.

Each piece in our collection reflects our dedication to good design and the use of high-quality materials, ensuring longevity and durability. SACKit creations are therefore made to last, and a SACKit product is a product you can enjoy for many years, if you take good care of it.

We believe that sustainability and responsibility is a pillar of design, particularly the long traditions of Scandinavian design. Not only are our designs created to withstand the test of time, we have also taken steps to bring in reusable and recycled materials in our design process. This has led to the creation of unique and environmentally conscious furniture pieces that we are proud to feature in this catalog.

COBANA LOUNGE SOFA
THE PERFECT GATHERING POINT

COBANA LOUNGE SOFA

LEAVE IT OUTSIDE ALL YEAR ROUND

Create the perfect outdoor space with the Cobana Lounge Sofa, which will become your family's and friends' new gathering point for hangouts and lots of cozy times. The Cobana Sofa is modular and therefore you can customize the sofa for your outdoor space and your needs.

The Cobana Sofa is made from durable materials, which makes the sofa able to withstand all kinds of weather and you can therefore leave it outside all year round. The sofa is water- and dirtproof and doesn't rust.

The Cobana fabric is made from 100% Olefin, which prevents it from molding in moist environments. Besides that, the Quick Dy Foam in the sofa ensures that it dries fast again.

At last, you don't even have to worry about the color of the sofa fading because of sunlight. The Cobana Sofa gets top grades on the lightfastness scale.

You can even purchase a protecting cover for you SACKit Lounge Sofa.

PATIO STORAGE TABLE

A SIDE TABLE WITH STORAGE

SACKit Patio Storage Table is an outdoor side- and sofa table with storage. The table is a module in the SACKit Cobana lounge sofa series and can be combined with all the modules from the series.

Lift the tabletop and discover a spacious storage room. You can use the table to store your cushions, blankets, and other items that can't withstand being left outside round the clock.

The possible ways to combine SACKit Storage Table and SACKit Lounge Sofa are only limited by your fantasy. Use the table as a side table and style it with SACKit Outdoor Accessories. Place the table between two sofa modules to create the perfect space for a chill evening with snacks, drinks, and good company, or use the table as an ordinary sofa table to create the perfect focal point for your lounge area.

PATIO SOFA TABLE

OUTDOOR SOFA TABLE

Just like the rest of the SACKit Outdoor Series, the Patio Sofa Table is made with durable materials that are resistant to wind and weather. Therefore, it can stay outside all year round, and you won't have to move your outdoor furniture back and forth when the seasons change.

The sofa table is based on simple shapes with a body that frames the tabletop and a sleek teak wood shelf that adds contrast to the powder-coated aluminum. The materials and the clean lines embraces the entire SACKit outdoor series of furniture and accessories. Use the sofa table with the Cobana Lounge Sofa or the Cobana Lounge Chairs.

Choose between a table with our without Accessory Fit. The table with Accessory Fit is created with a multi-functional design. A round cutout in the tabletop makes it possible to place accessories from the SACKit outdoor series in the table. Mix and match with all the SACKit Accessories with Ø14 Accessory Fit.

COBANA LOUNGE CHAIR & POUF

THE PERFECT OUTDOOR LOUNGE SET

COBANA LOUNGE CHAIR & POUF

SIT DOWN, RELAX AND HAVE A COFFEE!

You can make Cobana Lounge Chair & Pouf into your favorite spot in the sun when the weather is nice. When it gets overcast and cloudy again, you can move it inside in front of the fireplace and create the perfect cozy corner. Use it in the living room, in the children's room, in the garden, and on the patio!

Cobana Lounge Chair & Pouf can be used outdoors as the material is durable and water repellent. The fabric is made of the 100% synthetic Olefin material, which will not become moldy after being exposed to humidity. You can rest easy when you leave your Cobana product outside – even if it rains.

The Cobana Lounge Chair has been internally assembled of two individual inner bags linked together by Velcro. When you sit down on one of them, the other will be pushed up to support your back. Cobana Lounge Chair & Pouf is in a thorough Danish design of the best quality, which looks great and is amazing to sit in.

FLOWER POT - Ø14

RUSTIC AND REFINED

SACKit Flower Pot is made of concrete with a terrazzo look, which creates a rustic yet refined expression. The Terrazzo look makes every flower pot unique and creates color patterns on the surface that varies from pot to pot.

Use the pots outside during the summer and let the plants thrive inside during the winter. The SACKit Flower Pots are waterproof and designed for an outdoor life but can't handle frost. So remember to bring them inside during the winter and let them lighten up your living room or your kitchen.

CANVAS LOUNGE CHAIR & POUF

DESIGN AND FUNCTION COMBINED

Canvas Lounge Chair is the perfect lounge chair and bean bag chair for indoor use. The bean bag chair is both durable and holds its shape well. The perfect bean bag chair with backrest for the ones who love Danish design combined with many different application possibilities. Sit back, relax, and enjoy life.

With the SACKit Lounge Chair we have rethought the beanbag and designed it with two supporting chambers of beads, so you can sit down just like in a recliner. Unlike a conventional beanbag you will never have to shape it with your hands. And you will always feel comfortable sitting in a Canvas Lounge Chair.

SACKit Canvas Lounge Chair is made for continuous use. All materials are of the very best quality – a surface of hard wearing canvas, a strong polyester undersurface, YKK zipper and dimensionally stable filling made of 100% non-toxic EPS beads. Go on and have a seat!

EDGE DINING TABLE

OAK DINING TABLE BY BØNNELYCKE MDD

An aesthetically beautiful dining table made from European oak with gorgeous detailing and carefully crafted facets. The table's facets create a unique expression that changes with the shifting light throughout the day. This adds a subtle dynamic to the table's design.

The dining table is made of European oak, which with its beautiful natural wood structure brings a sense of nature into your home.

The surface is matte lacquered, which creates a smooth feel while preserving the natural texture and color of the wood. The lacquer protects the wood from stains, scratches and general wear and tear, making the table resistant.

The Edge Dining Table is available in two different lengths: 240 cm and 300cm.

CHAIR NO. ONE

DINING CHAIR IN TRACEABLE LEATHER

Chair no. One is a dining chair with an uncompromising design made from carefully selected materials with a focus on sustainability and quality. The frame is made from powder-coated recycled steel, while the seat is made from recycled plastic and upholstered in the highest quality SPOOR leather.

The chair is designed with sustainability in mind. Behind the uncompromising design, the chair's shells are made from recycled plastic from industrial waste. Similarly, the chair's frame is made from recycled steel and upholstered in Nordic traceable leather from SPOOR. The SPOOR leather is also tanned without the use of chrome, which reduces the environmental impact.

Chair no. One is available as both single shell and double shell, and in two different leather types and colors.

NORDIC BAR STOOL

EXCLUSIVE, DANISH DESIGN BAR STOOL

The Nordic Bar Stool by SACKit is made for life – it's designed for your everyday life, to be used again and again, and to last forever. With its timeless Nordic design, it'll last for years without going out of fashion. Therefore, it's important to find the right one for you – and your home!

Choose between two types of leather: Dunes and Ultra. Dunes leather will develop a natural patina over the years and has a velvety surface. Ultra leather has a classic leather look and is extremely resilient and easy to maintain.

Should you choose a stool in oak, you get a unique piece of furniture with its own natural characteristics.

You can also choose between hand-sewn cross stitching or a fully upholstered bar stool.

The Nordic Bar Stool is available in two different heights: 68cm and 73cm.

AMBIENCE SERIES

APP-CONTROLLED LAMP WITH BASES

AMBIENCE SERIES

INDOOR/OUTDOOR BATTERY-POWERED BLUETOOTH LAMP

One Lamp. Endless possibilities.

The cornerstone in the Ambience lamp series is a simple lamp, which can be placed in different specially designed lamp bases. Create a design that suits you and your needs. One lamp – endless possibilities.

Create life and light with different looks, depending on which style and mood you desire. Simply place Lamp Intelligent in the base of your preference or move the lamp between different bases around your house and garden. The wireless lamp makes it both easy and simple to create new styles for your home and garden.

*Oslo lamp holder is only suitable for indoor use due to it being made from solid wood.

THE LIGHT SERIES

MUCH MORE THAN JUST A LAMP

Extend the light in the late-night hours in summer or light up the dark winter months with SACKit Light. The lamp is well-made danish design with a nautical touch. It's made with durable materials, is IP67 water- and dustproof, and has a long autonomy.

Both in terms of style and functionality, you get a product that you can enjoy for years. The lamp's hardy materials and special construction makes the lamp screen extremely durable, and it can withstand temperatures down to -20 degrees Celsius. Additionally, the SACKit Light is IP67 certified, which means that it is both dustproof and waterproof. Therefore, you're getting a lamp that can be used in all seasons, 365 days a year, inside or outside, and in all situations.
